

Our topic this term is

Children at War and Blood/Heart Beat

History: We shall look at the impact of evacuation and the impact of the war on the lives of everyday people e.g. rationing, air raids, leisure time. We will also be studying the significance of the London Blitz.

Literacy : We will be reading and listening to story extracts set in the war e.g. Goodnight Mister Tom. We will also be writing letters and diaries from evacuees.

Art: We shall be using visual source material to create our own images of The Blitz. Examining the impact of poster art during the war/ pictures

D&T: practise skills of stitching fabrics and drawing models of the heart

Music: appraising music from 1930s sessions with our music coach following the National Curriculum.

Games: invasion games.

ICT: We will be researching facts, looking at images and creating presentations of London in The Blitz. We will also start with a focus on internet safety, especially filtering and monitoring.

Science: We will be revising the heart and organs; looking at materials, changes and properties, forces and Earth in Space.

Maths: We will continue to cover aspects of Maths from the National Numeracy Strategy

Geography: We will be looking at areas of German occupation and how these were affected by the impact of war.

RE: We shall be studying Hindu faith and the significance of Karma and Moksha for a Hindu, and what kind of king is Jesus to Christians.

PSHE: Through the diary of Anne Frank, will be discussing and understanding the impact of the war on Jewish families and communities. All the children will be looking at skills for different jobs.

RSE: Looking at relationships and also changes in puberty.
