Proud Head Teacher Moments

This week I was so proud of:

Class 3 and Class 4 for their behavior and attitudes during their workshops this week. Sally Hall said it was noticeable how beautifully behaved they were.	**My Leading Lights This Week** 	Dorothy for showing caring and sharing with her friends this week.

We have asked the children to do drawings of "**Let Your Light Shine**". We will be selecting them at random and sharing them here every week. This week's drawing is by Rory.

PARENT NEWS

NEW MESSAGE FROM MISS REYNOLDS AND THE TEAM

Dear Parents,

Well another successful week has been completed. Learning is flourishing and our children are thriving.

This week, Class 3 and Class 4 enjoyed workshops by Sally Hall, from a company called Papaya which taught the children about self-esteem and screen safety as part of Anti-bullying week. Class 4 have written about ways that we tackle bullying in our school in letters which will be sent to you. The whole school learnt more about anti-bullying during our assemblies this week.

The school photographer has released the QR codes so that you can order photos. Thanks to Mrs Rapson and Miss Wright who have diligently checked all of the photos before distributing the photo cards in book bags. Please note the deadline to order photos is Tuesday 1st December 2026.

Taking photos of our Stars and Learners seems to have been a great success this week rather than putting photos on our newsletter.

For our village community, please can we be considerate whilst waiting to drop off in the mornings. Please avoid blocking the entrance to the houses at the end of Stocking Lane. We are monitoring the traffic and any congestion, following feedback from a member of the village this week and may trial some tweaks across the next few weeks.

Next week, our MP will be visiting the school as part of Parliament Week and the children will be learning about democracy and British Values.

As always, enjoy and treasure precious family time together this weekend.

Warm Wishes,

Sarah and Team x

Our Vision
'Let Your Light Shine' Matthew 5:16- Linked to Excellence through Endeavour
'Let your light shine,' Matthew 5:16 is our school scripture. This scripture is designed to inspire a new generation of Shenington pupils to fulfil their potential and Endeavour for Excellence. Below is some background on the scripture.

During the Sermon on the Mount, found in the Gospel of Matthew, Jesus addresses a crowd and reveals eight blessings (known as The Beatitudes). He then goes on to talk to the crowd about salt and light. Jesus explains: "You are the light of the world. A city built on a hill cannot be hid. 15 No one after lighting a lamp puts it under the bushel basket, but on the lampstand, and it gives light to all in the house. 16 **In the same way, let your light shine before others, so that they may see your good works and give glory to your Father in heaven**". Matthew 5:14-16

Attendance - Requirements of Schools
We wish to make parents aware that since September 2022, the DfE requirements of schools with regards to attendance has changed and schools are focusing on it even more. Please be aware that we are now required to seek more clarity about medical involvement when a child has been absent for an illness for more than just the odd day. This focus also includes making unannounced home visits for absence. This is the information provided by the Attendance and Engagement Team and is a requirement on schools as part of our safeguarding processes. Schools are required to have regular sight of children. Please understand if we seek further documentation or clarity or arrive unannounced (if your child's absence exceeds a certain number of days and we have not seen them). Our aim is to maintain positive relationships with our families but we are also at the forefront of implementing these requirements.
