Class 4 Curriculum Newsletter – Spring 2025

Dear Parents,

It is the new year. I hope that you all enjoyed the festive break and have managed to enjoy yourselves. I am really looking forward to teaching your children this year. For the rest of this year Class 4 will be supported by Mrs Rennie, Mrs Rossenrode and Mrs Brennan, who will be working with groups, individuals and supporting interventions in accordance with children's needs and requirements. The children will be in groups across the school day.

Just a reminder, that the children go straight into class and registration is at 8.45am. Please ensure your child is here by this time. Please pull in the Drop-off zone area between 8.30am and 8.45am. Staff will meet and greet you. If you are in a parking bay, please wait for a member of staff to collect your child to cross the car park. Pick up at 3.15pm from the classroom remains the same. Please park at the end of club and collect your child from the hall.
Timetable- All the children will have a copy of our lesson timetables for this half term.

Games/P.E- This will be with external coaches. We hope to offer some other sessions on other days where possible. P.E kits need to be in school every day and can be left in school across the week.

Swimming-We will investigate the possibility of swimming for Years 5 and 6 at some point in in the Summer Term. We will keep you informed.

Cycling Proficiency- We hope to continue this for Year 6 this year- Mrs Rossenrode will look at arranging dates/ times.

Homework:
Spellings: The system of focusing on patterns for spellings to create words to learn at home is working well. Thank you for your help and support with learning these. We will complete Spelling Test and give new spellings on Mondays
Please let us know if you think that your child may need a different list of words for any reason:

- Monday- language activities to completed by Wednesday
- Tuesday- time to learn spellings for Monday's test using Look/ Say/Cover/ Write / Check. The children need to record this in their Homework books and is due in on Wednesday.
- Wednesday- maths activity to be completed by Friday
- Thursday - time to learn tables. Three sets of tables your child needs to learn. This will extend to multiples of 10/100 etc and decimals
- Friday- topic or reading/comprehension task and homework diaries filled in with someone at home in the front of their diary.

In addition, the following may also be given, from time to time:

- Topic related research
- Science activities or SATS questions related to science
- DT modelling.

All homework to have titles and dates (words in English, numbers in maths and underlined). English written in pen. Maths completed in pencil.

Homework Diaries

The system of having homework diaries in school works well. The diaries are needed in school each day. Please let us know any comments that you have or any difficulties that the children have encountered by writing notes in their **Homework Task Books** as they complete a task. Thank you for your helpful comments, these really help the children to become more organised. Please sign your child's Homework Diary over the weekend at the end of the week, ready for us to check on Monday.

Reading Challenge

As you know we introduced the Reading Challenge system, whereby we are asking every child in the class to read daily five days each week for 15 minutes and for you to initial the chart in the back of their reading diary. These are checked each week and periodically we give out on the spot rewards for children who are up to date with this. Already this is helping to further develop their reading skills.

General

Please do not hesitate to contact me if you have any concerns. I always welcome any feedback.

We are continuing with our target system. The children have their targets for English and Maths. We will send them home on Friday to be returned on Mondays.

Slips/ Notes

If you are unable to chat with me at drop off, then please email the school office.

Dates:

SATs 2025 – 12th – 15th May 2025 -Year 6 SATs
Residential 2025- 31st March – 3rd April

Future dates/Events

We would really like to see you at some of the forthcoming award assemblies, as your child achieves their certificates and other school events.

Thank you for your support for all that we are doing to develop the children's learning.

Many thanks,

Sarah Reynolds
