

English This term the children will focus on consolidating their writing skills, their vocabulary, their grasp of sentence structure and their knowledge of linguistic terminology. The children will develop as writers involving learning to enhance the effectiveness of what they write as well as increasing their competence.	Physical Education • Swimming • Sports • Ball skills • Football • Various different ball games	Maths The principal focus of Mathematics this term is teaching to ensure that pupils become increasingly fluent with whole numbers and the four operations, including number facts and the concept of place value. This should ensure that pupils develop efficient written and mental methods and perform calculations accurately with increasingly large whole numbers.
