

Shenington C of E Primary School SEN Information Report for 2025-26

Part of the Oxfordshire Local Offer for Learners with Special Educational Needs (SEN)

Welcome to our SEN information report which is part of the Oxfordshire Local Offer for Learners with special needs. All schools are supported to be as inclusive as possible, with the needs of pupils with Special Educational Needs and Disabilities being met in a mainstream setting wherever possible.

The four broad 'areas of need' are Communication and Interaction, Cognition and Learning, Social, Emotional and Mental Health Difficulties, and Sensory and Physical Needs.

At Shenington C of E Primary School, we embrace the fact that every child is different, and, therefore, the educational needs of every child is different; this is certainly the case for children with Special Educational Needs.

If you have any concerns regarding your child's progress or well-being, then please speak to either your child's class teacher or Mrs Heather Wright(SENDCO) to discuss your concerns.

1. Does the setting / school / know if children/young people need extra help and what should I do if I think my child/young person may have special educational needs?

At different times in their school life, a child or young person may have a special educational need. The Code of Practice 2014 defines SEN as follows:

"A child or young person has SEN if they have a learning difficulty or a disability which calls for special education provision to be made for him or her. A child of compulsory school age or a young person has a learning difficulty if he or she:

- a) has a significantly greater difficulty in learning than the majority of others the same age, or*
- b) has a disability which prevents or hinders him or her from making use of facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16s institutions."*

Where pupils' progress is significantly below age related expectations, despite high quality teaching targeted at specific areas of difficulty, provision of SEN Support may need to be made.

If you have any concerns regarding your child's progress or well-being, then please speak to either your child's class teacher or Mrs Heather Wright (SENDCO) to discuss your further.

2. How will early years setting / school / staff support my child/young person?

The class teacher:

Responsible for...

- Checking on the progress of your child and identifying, planning and delivering any additional help your child may need (this could be targeted work or additional support) and letting the Special Education Needs/Disabilities coordinator (SENDCo) know as necessary.
- Writing individual Action Plan for Inclusion / SEND pupil profiles and sharing and reviewing these with parents at least once each term and planning for the next term.
- Personalised teaching and learning for your child as identified on the school's provision map.
- Ensuring that the school's SEND Policy is followed in their classroom and for all the pupils they teach with any SEND.

The SENDCO: Mrs H Wright

Responsible for...

- Provide professional **guidance** to colleagues and works closely with staff, parents and other agencies.
- Writes SEND Information Report which **MUST** be published on the setting website and updated annually
- Overseeing day to day operation of the school's SEND policy
- Co-ordinate provision for children with SEND
- Advising on a graduated approach to provide SEND Support
- Advising on the deployment of the school's delegated budget and other resources to meet pupils needs effectively
- Liaising with parents of pupils with SEND
- Liaising with EYFS providers, other schools, EP, health and social care professionals and independent or voluntary bodies, LA and other external providers.
- Manage the transition process.
- Ensure school keeps the records of pupils with SEND up to date
- Work with the Head Teacher and school Governors with regards to reasonable adjustments and access arrangements
- Organising staff training

The Head teacher: Miss Sarah Reynolds

Responsible for...

- The day-to-day management of all aspects of the school; this includes the support for children with SEND.
- The Head teacher will give responsibility to the SENDCO and class teachers, but is still responsible for ensuring that your child's needs are met.
- The Head teacher must make sure that the Governing Body is kept up to date about issues relating to SEND.
- Regularly review staffing structure, ensuring that appropriate provision and adult support is in place.

The SEN Governor: Mr G Fraser

Responsible for...

- Making sure that the necessary support is given for any child with SEND who attends the school.
- To support and challenge the Head teacher and SENDCO with regards to SEND within the school.

3. How will the curriculum be matched to my child's/young person's needs?

If a learner is identified as having a SEND need, we will provide support that is **additional to** or **different from** the differentiated approaches and learning arrangements normally provided as part of high quality, individualised teaching intended to overcome the barrier to their learning. This support is set out in the individual school's whole school Provision Map, which documents the support that is to be put into place.

When providing support that is "additional to" or "different from" we engage in a four-stage process:

Assess - this involves taking into consideration all the information from discussions with parents/carers, the child, the class teacher and assessments.

Plan - this stage identifies the barriers for learning, intended outcomes, and details what additional support will be provided to help overcome the barriers. Decisions will be recorded on a SEND Support plan and will form the basis for review meetings.

Do - providing the support - extra assistance for learning - as set out in the plan.

Review - measuring the impact of support provided, and consider whether changes to that support need to be made. All of those involved - learner, parents or carers, teacher, SENDCO and outside agencies contribute to this review. This stage then informs the next cycle.

Shenington C of E Primary School adheres to the following inclusive principles:

Staff value pupils of different abilities and support inclusion. Within the school, staff and pupils will be constantly involved in the best ways to support all pupils needs within the school. There is flexibility in approach in order to find the best provision for each child. Within each class, teaching and learning styles and organisation will be flexible to ensure effective learning. Grouping to support children identified with additional needs will be part of this process.

4a) How will both you and I know how my child/young person is doing and how will you help me to support my child's/young person's learning?

In addition to normal reporting arrangements, there will be the opportunity for parents to meet with their child's class teacher and SENDCO to review the short-term targets and to discuss the progress the child has made. Obviously, we also encourage an "open door" approach whereby teachers are accessible at the end of the day.

- Your child's progress will be continually monitored by his/her class teacher.
- His/her progress will be reviewed formally and tracked with the Headteacher and SENDCO every term in reading, writing and numeracy. Through Parent Consultations and end of year reports, Teachers make clear the attainment against age related expectation and the level of progress made.
- At the beginning of Foundation Stage all children will undertake a Reception Baseline Assessment and at the end of Key stage 2 (i.e. at the end of Year 6), all children are required to be formally assessed. This is something the government requires all schools to do and the results that are published nationally.
- Where necessary, children will have a SEND Profile based on targets set by outside school / outside agencies specific to their needs with the intention of accelerating learning and to close the gap. Progress against these targets will be reviewed regularly, evidence of judgments assessed and a future plan made.
- The progress of children with an EHC Plan (Educational Health Care Plan) will be formally reviewed at an Annual Review with all adults involved with the child's education.
- The Head teacher and SENDCO will monitor the progress made by SEND children in their class work and any intervention that has been put into place

- Regular book scrutiny and lesson observations/learning walks will be carried out by the SENDCO and other members of the Senior Management Team to ensure that the needs of all children are met and that the quality of teaching and learning is high.

The school delivers Parent workshops for the core areas of learning. These are in line with School Improvement Priorities and/or parent voice.

We send regular class and whole school newsletters with information about things that have happened. Also, extra information can be found on the school website including class news, photograph gallery, planning, homework and useful links. In addition to this, where necessary we also communicate via home/school link books.

4b) What support will there be for my child's/young person's overall well-being?

We recognise that some children have extra emotional and social needs that need to be developed and nurtured. All classes follow a structured PSHE/RSE curriculum to support this development. However, for those children who find aspects of this difficult we offer.

- Social awareness games and activities
- Lunch time and play time support / play partners
- ELSA groups
- Lego therapy sessions
- Buddy system
- Individualised programmes of work including activities to complete at home
- Access external agencies and professionals and follow their advice
- Teaching Assistant trained in how to support pupils' mental health.
- Teaching Assistant trained in how to support a pupil with anxiety and / or depression.
- Play Therapy

The school benefits from a Behaviour Policy with clear rewards and sanctions and in each class the exact same rules are applied. In respect of Anti Bullying, there is a policy in place that has been drawn up with staff and pupils and is accessible to Parents. As part of the curriculum, the school plans activities during Anti Bullying week and each year sets out to Parents its core principles regarding inappropriate behaviours and bullying.

Any pupils with additional medical needs are well catered for at Shenington C of E Primary School. All medical requirements are requested from parents prior to admission and these are added to the school medical needs folder. All medicines are kept in individual sealed containers in a locked cupboard that are accessible to appropriate members of staff. For those pupils needing medicine regularly, we complete an individual health care plan which is reviewed annually. Each classroom also has an emergency first aid such as epi-pens and asthma inhalers.

There are various opportunities for pupils to have a voice on decision making in the school. The school has a proactive school council that meet regularly. We also have Prefects and Mental Health Ambassadors who have regular meetings. Pupils have input into medium term planning and the SLT carry out pupil voice questionnaires. Prior to SEND review meetings, pupils have the opportunity to share their views.

5) What specialism services, experience, training and support are available at or accessed by the setting / school / college

Once the school has identified the needs of SEND pupils, the SENDCO and Head teacher decide what resources/training and support is needed.

7) How will my child/young person be included in activities outside the classroom including school trips?

At Shenington C of E Primary School, we believe all learners are entitled to the same access to extra-curricular activities, and are committed to make reasonable adjustments to ensure participation for all. Any additional support or necessary adjustments are recorded on the risk assessment for that activity. Please contact us if your child has any specific requirements for extra-curricular activities.

8) How accessible is the setting / school / college environment?

- The school is fully compliant with DDA requirements.
- The main building is on one level with easy access and double doors.
- There are disabled toilets and changing facilities.
- We ensure where ever possible that equipment used is accessible to all children regardless of their needs. The SENDCO manages a SEND budget, used to ensure that all pupils have access to the very best equipment.
- After-school provision is accessible to all children, including those with SEND.
- In respect to pupils with English as an additional language we access support from the EAL advisor and follow their recommendations.

- Extra-curricular activities are accessible for children with SEND.
- The school has an outside learning area.
- The school has an up to date accessibility plan which is considered each year and whenever there is building work.

9) How will the setting /school prepare and support my child/ young person to join the setting /school, transfer to a new setting / school / college or the next stage of education and life?

New pupils to Shenington C of E (VA) Primary School

Foundation Stage staff will meet with parents prior to pupils starting school. There is also the opportunity for a home-visit and nursery visits. Concerns about particular needs will be brought to the attention of the SENDCO. Where necessary, the SENDCO will arrange a further meeting with parents, previous setting, health visitor etc.

Class teachers of children joining from other schools will receive information from the previous school; if required the SENDCO will telephone previous school to discuss individual pupil's needs.

Arrangements

No pupil will be refused admission to school based on his or her special educational needs. In line with the SEND Act we will not discriminate against disabled children and we will take all reasonable steps to provide effective educational provision.

We treat all children with physical and mental disabilities and SEND needs favourably and each child is included in all activities and throughout the curriculum. No children are disadvantaged or treated less favourably than their peers.

Preparing for next steps

Transition is a part of life for all learners, whether that involves moving to a new class or moving to a new school. We recognise that transition is an important time for all children, but especially so for a child with SEND. Consequently, we work closely with parents, pupils and staff to ensure these transitions run as smoothly as possible.

Planning for transitions with the school will take place in the Summer Term; arrangements for transition to Secondary School for pupil with SEND will be planned according to individual need.

10) Provide examples of interventions, equipment, resources that settings/ schools may allocate to match children's/young people's special educational needs?

- ELSA resources
- Early Literacy Support programme.
- Memory skills programme
- Differentiated RWI
- Sensory resources
- Gap teaching with Teaching Assistant
- Clicker 8 programmes
- Spirals

11. How is the decision made about what type and how much support my child/young person will receive?

The school budget, received from Oxfordshire LA, includes money for supporting children with SEND, which is considered as element 2 funding.

The Head Teacher decides on the deployment of resources for Special Educational Needs and Disabilities, in consultation with the school governors on the basis of needs in the school.

Where the needs of a pupil are more complex and element 1 and element 2 funding have been already been used and evaluated, we would then consider additional support through element 3 funding. This is top up funding from the Local Authority where a child has significant and complex needs.

The Head Teacher and the SENDCO discuss all the information they have about SEND in the school, including the children getting extra support already, the children needing extra support

and the children who have been identified as not making as much progress as would be expected. From this information, they decide what resources/training and support is needed.

The school identifies the needs of SEND pupils on a provision. This identifies all support given within school and is reviewed regularly and changes made as needed, so that the needs of children are met, and resources are deployed as effectively as possible.

12. How are parents involved in the setting / school? How can I be involved?

At Shenington C of E Primary School, we value the importance of building positive relationships with parents and families within our School community. Where a pupil is identified as needing an Action Plan for Inclusion or a SEND profile, parents are given the opportunity to be part of the assessment and review process.

13. Who can I contact for further information?

The Governors have adopted the Oxfordshire complaints procedure. We hope to resolve, any complaints you may have, which in the first instance should be directed to the Head Teacher. In most cases, we find that complaints can be dealt with successfully at this level. However, if this is not possible, complaints can be sent to the Chair of the Governing Body for consideration at their next full governing body meeting. Complaints that are still not resolved can be sent to the Local Education Authority.

If there are any complaints relating to the provision for pupils with physical or mental disabilities or SEND needs these will be dealt with in the first instance by the Head Teacher. The Chair of Governors may be involved if necessary. In the case of an unresolved complaint the LA may be involved.

Please see the complaints policy on the school website.

During Covid- 19 pandemic, we worked hard to ensure all our SEND learners continue to access interventions and learning. Remote learning was put in place and this was via online live lessons or in Class 1 the Tapestry Learning Platform. Regular Risk assessments were undertaken by the SENDCo and parents which were forwarded to the LA for those on EHCP during Lockdown.

This report details our annual offer to learners with SEND. To be effective it needs the views of all: Parents/carers, pupils, governors and staff.

If you have any comments, please contact Mrs Wright (SENDCO)
